

STAGNATION IN STOCKS.

THE MARKET A WAITING ONE.

FEAR OF GOLD EXPORTS—UNCERTAINTY ABOUT THE SITUATION IN THE SENATE —MONEY ON CALL EASY.

Sunday, September 24—p. m.
The United States Treasurer received in five business days last week from customs \$2,914,160, from internal revenue, \$2,341,908, and from miscellaneous sources, \$265,527; total from all, \$2,551,537, against \$2,623,865 in the preceding week. The receipts from customs were smaller than they were in the preceding week, and those from internal revenue were only slightly larger. The weekly Treasury statement shows a decrease of \$560,329 in the net cash in vaults, and one of \$351,132 in deposits in National banks. The reduction in the net cash balances amounted to \$851,461. The prominent feature of the statement was the large loss in the gold balance, by a decrease in actual coin and bullion.

The principal changes in the vault balances were made up as follows: A loss in the gold balance of \$2,958,089, by a decrease of \$3,281,519 in coin and bullion, minus a reduction of \$322,710 in the amount of outstanding certificates; a gain in the silver balance of \$826,919, by an increase of \$1,121,616 in coin and bullion, less an issue of \$149,697 in silver certificates and Treasury notes, and a gain in the legal tender balance of \$181,279, by an increase of \$1,081,239 in notes, less an issue of \$960,000 currency certificates. The holdings of National bank notes were increased by the unusual amount of \$1,560,282. Treasury notes to the amount of \$685,000 were issued in payment for coin and bullion, but the sum of \$42,000 was retained in the ordinary course of business, and the volume of these notes in circulation was enlarged only by \$32,919. The Treasury's liability for the redemption of National bank notes again was increased by \$341,487, and the deposits of lawful money on that account are now \$29,657,464. Seven hundred, most of which are in this city, have been issued in payment of which they took out in the height of the currency scarcity. The law prevents, however, the retention of more than \$3,000,000 in any one month.

Subjoined is Saturday's statement, compared with that of September 16:
